

Champions & Explorers: Middle School Cornerstones Curriculum Maestro Year C – Autumn Term 2

Students work on Cornerstones Curriculum Maestro programme in all sessions. Students will develop their life skills by practising their functional literacy, numeracy and self-help skills in a range of class-based and community settings.

The theme for this half-term is **Frozen Kingdom**.

Communication

Attention Autism programme: improving levels of engagement followed by reading comprehension, literacy writing and phonics.

Reasoning

Understanding measurement (length, height, mass and volume) using the White Rose Maths programme.

Science

Living things and their habitats: how do animals stay warm investigation.

My World

Understanding different features of the Polar Regions.

Food Technology

Foundation: working towards food hygiene, safety skills and healthy eating whilst making simple seasonal meals.

Health & Wellbeing

Outdoor adventure: walking tours at Lyme Park to explore different types of animals (Reindeers) and landscapes.

Community Access

Preparing to go shopping, using a shopping list and shopping basket, scanning items and paying for items

My Creative Expression

Art: Painting and block printing
Music: Soundscapes

PSHE

Personal hygiene: understanding the importance of handwashing

Outdoor Learning

Fieldwork: observing, understanding and exploring natural settings.
