

### Communication

In English, we will be reading Ada's Violin, as well as expressing our opinions on songs we are listening to, as a class.

We will be continuing with our phonics and comprehension curriculum.

### My World – Science

In Science we will be exploring how vibrations cause sound. We will be experimenting how we can change the volume and pitch of a sound.

### My World – Humanities

This half-term in RE, we will be learning about Chinese New Year, as well as the Chinese religions of Confucianism and Taoism.

### Reasoning

In maths, we will continue the White Rose curriculum, looking at calculating money, as well as multiplication and division. We will also continue our work on recognising number in different contexts.

### Creativity – Art

In art, we will be using different media to create depictions of musicians, instruments and sound.

### Understanding Me and My Relationships

We will be continuing our work on safety out and about in the community, especially when crossing and walking near roads. We are also going to be focussing on the topic of public and private, as well as growing up changes.

### Creativity – Music

This half term, pupils will listen to and perform a variety of rhythms from different styles of music whilst continuing to develop an understanding of basic notation.

### My World – Food Technology

In food tech, we will be focusing on making snacks and sandwiches, with a view to greater independence.

### Physical Development

This half term we will be looking at different forms of dance and trying them out, from the haka to modern dance.
